Our mission is to educate, communicate and promote a sense of community in our Village

The Association usually maintains a calendar of local events on its website. We have not done that at this point this year, given the substantial limitations on events owing to the pandemic. We have chosen to provide information from time to time about events that are taking place. While these often also appear in the Currents, we felt that it would be useful to provide this in this form which will also be posted on the website.

Barnstable Land Trust will conduct a **Cotuit Ecology Walk** on July 11, starting at 10:00 a.m. This will entail a walk through a beautiful conservation area in Cotuit, guided by ecologist Gil Newton. Gil will point out native flora and fauna as attendees walk this beautiful conservation area. Gil will also take questions from attendees.

There is only space for 5 attendees – so those interested should get in touch with BLT as soon as possible. Use the following link to register:

Meeting location and details will be shared with registered attendees. \$5 suggested donation. **Mask required.**
