

# Cotuit-Santuit Civic Association

President: Jim Dannhauser

April 17 - May 14, 2021

Editor: Theresa Egan

Welcome Spring!!

We hope that everyone is as excited as we are to see the calendar turn to the warmer months. It has been an exceptionally difficult time in all of our lives since last March. We hope that all can remain safe and well, and express our sorrow at the losses that some have endured. May better times for everyone come soon!

The Civic Association is planning to hold its annual Village Clean Up Day this year. The scheduled date is May 15, with a rain date of May 22. We have had a great response to this in prior years, as Villagers take a little time to help to clean our streets and byways. In consideration of the pandemic, we are adopting certain protocols this year to provide as safe an experience as possible. Participants will meet at Lowell Park at 10:00 a.m., wearing masks. At that time, we will explain the protocols for social distancing during the event. We will also give out street assignments. We will have trash bags, pick-up tools and gloves for everyone who takes part. If you would like to participate, please e-mail us at [cotuitcivicassociation@gmail.com](mailto:cotuitcivicassociation@gmail.com). Having advance indications of participants helps us to organize the pick-up areas efficiently.

Please mark your calendars to join us for the annual Candidates and Budget Night to be held this year on May 17. This is your opportunity in advance of the District Annual Meeting to hear from the candidates for District offices, as well as to listen to a presentation about the proposed budgets for the coming fiscal year and ask questions of District officials concerning those budgets. We are still determining whether that meeting can be in person or will be conducted virtually. Information about that will be forthcoming soon.

For those who did not have the opportunity to take part in the information session that was held in March concerning the Cotuit Elementary School property, we encourage you to view the recording of the meeting that can be found on the web site of the Association, and at the following link: <https://youtu.be/oIIT2g7BQeI>. This is an important issue for the Village and we would like everyone to be familiar with it.

Lastly, please take a moment to renew your membership in the Association. We find that communication by e-mail has been very efficient for us, so if you would like to be added to our Constant Contact e-mail list, do be sure to include your e-mail address with your renewal. Jim Dannhauser, President CCA

**WATER MAIN FLUSHING NOTICE:** *The Cotuit Water Department* will be flushing water mains (weather permitting) from April 6th through June 30th. Water main flushing is part of a preventive maintenance program being undertaken by the Water Department to ensure that water quality is not being compromised. Discoloration of the water may occur. This is an unavoidable effect of flushing, with an aesthetic value only, and is not considered a health hazard. The water should clear after a short period of time. Residents in these areas are advised to refrain from laundering between 9 am and 4 pm and to set water aside for drinking and cooking purposes. All village residents are advised to check water clarity before use, while this program is in operation, as water lines outside the flushing area could be affected. Flushing locations will be posted daily on <https://www.cotuitfiredistrict.org/waterdepartment/> and on Facebook at [facebook.com/Cotuit-Water-Department](https://facebook.com/Cotuit-Water-Department).

**Cotuit Center for the Arts** presents an encore presentation of the hit play *Grounded* because you can join us live in the theater. AND you can ALSO join us on Thursday, April 22 by live stream from ANYWHERE! The play was originally presented in the *Black Box Theater* in 2017 to great acclaim and we are thrilled to bring it back on the Main Stage. And we know you do not want to miss Anna Botsford's tour de force performance and Robert Bock's compelling direction.

The main character, an ace fighter pilot, has always taken pride in her work, but an unexpected pregnancy cuts short her career in the blue skies. She is reassigned to ground duty, which she refers to as the "Chair Force," in a windowless trailer in the gray desert outside of Las Vegas.

Now her job is to operate remote-controlled military drones, hunting terrorists in Iraq and Afghanistan by day and living an ordinary life with her husband and young daughter at night. Killing by remote control keeps her safe, but it does not protect her from the psychological toll of warfare. As the pressure to track a high-profile target mounts, boundaries begin to blur between the desert where she lives and the desert she patrols half a world away.

Anna Botsford plays the conflicted fighter pilot. Ms. Botsford, IB Theatre teacher and director at Sturgis Charter Public School West, has appeared in numerous productions at Cotuit Center for the Arts—including "Unsafe," "Bark Park," "The Beauty Queen of Leenane" as well as productions at other Cape venues.

Mr. Brant has described the play as "about moral responsibility and contradictory choices... It is a worst-case scenario for the question of whether it's possible to be in two different places at once, for those trying to have it all."
